

## Disposal Guidance

At Home Chef, we're conscious about the impact our service has on our Earth.

For more information, please visit: [homechef.com/we-recycle](http://homechef.com/we-recycle)

Our boxes are lined with recycled cotton-enhanced, textile fibers that promotes biodegradation. Boxes and liners can be composted or recycled.

Our recipe cards can be recycled, although we recommend keeping them in your Home Chef binder for future use!

Our plastic containers are 100% recyclable.

Our cooling packs are filled with a non-toxic, eco-compatible fluid that can be safely drained.

## Refer A Friend

In 3 easy steps, you can earn \$30 in Home Chef credit

For more information, please visit [homechef.com/invite-a-friend](http://homechef.com/invite-a-friend)

1

You send an invite to someone that has never tried Home Chef before.

2

They sign up for Home Chef with your referral code.

3

You receive a \$30 credit for every person that signs up, and that person receives a \$30 credit towards their first order.

## Customer Service

Our Customer Support Team is the best in the business. They're ready and waiting to answer any questions you may have and love hearing about your experiences in the kitchen. Whether it's feedback on a recipe, questions about the service, or an issue with your order, our Customer Support team has you covered.

872-225-2433 (M-F 9am-4pm Central) [support@homechef.com](mailto:support@homechef.com)

Home Chef is a subscription-based service, meaning you will automatically receive meals from our menu, updated weekly. As always, you can make changes to your weekly menus anytime before Friday at noon. You are always able to skip weeks in advance, pause your account or cancel our service if necessary.
